It is unprecedented in its design: a brilliantly selected group of essays on music coupled with lucid, deeply incisive, and in every way. Take a journey through time and explore our heritage. Using the monarchs as the thread, this book (third in a series of four) brings to life all of the key events from our past. In his own modest way, Hank the Cowdog recounts how he barely escaped crazy Slim and his tail-eating vacuum sweeper and single-handedly saved the ranch from a huge catastrophe.
